BTCS Parent Survey
School Reopening
Survey Ended June 21, 2020

As we plan for the opening of the 2020-2021 school year on August 3, the leaders of Bristol Tennessee City Schools are committed to two primary goals: protecting the health and safety of students and staff and providing a high-quality education for all students in our district. To best achieve these goals, we are using all available resources, seeking advice, and gathering feedback from a wide variety of stakeholders. While there will be few simple solutions, it is important to us to honor the many viewpoints and opinions surrounding COVID-19 and any impact our plans may have on families and the broader community.
