COVID-19 COMMUNICATION

Date 7/13/2020

Since the release of the Framework for Opening the 2020-21 School Year: Sullivan County Plan and our survey asking parents to choose the academic pathway for their child, we have received numerous questions from parents. Also since that time, the case count of COVID-19 in our community has risen significantly resulting in further evaluation of the most practical health and safety protocol for students and staff. A few updates have been made to the FAQ online, and we are preparing even more information for parents for release tomorrow. **We are extending the deadline to complete the Academic Pathway Choice survey until Wednesday, July 15**, to give parents time to review the new information prior to making a decision.
