2020 School Closure Feeding Program

To help meet the nutritional needs of our community while Bristol City Schools is closed due to the COVID-19 (coronavirus), the BTCS School Nutrition department will be providing free breakfast and lunch to any child age 18 or under on all weekdays when school would have been in session.

Feeding Program – General Information

- Food will be distributed using a “drive-thru” or “walk-up” process. Cafeteria seating will not be available.
- The child must be present (or in a vehicle) at the distribution site to receive a meal. Please take the meals given and return to your home. Meals are not to be consumed on site.
- One meal per child. The child is not required to be a BTCS student to receive a meal.
- The food is available at no cost for any child age 18 or under.
- Meals will not be provided to adults, however, we are distributing food bank information with meals if needed.
- If you are unable to get to a meal distribution site, please contact (423) 652-9451 so we can assist you with needs.
- If you have experienced a change in income during the COVID-19 situation and are concerned about your child’s meal account upon returning to school, please contact Cindy Begley with BTCS School Nutrition at (423) 652-9222. We can mail you a free-reduced meal application and update your child’s account based upon your current income situation. Feel free to reach out to Ms. Begley for additional questions as well.
- A breakfast and lunch will be given to each child present at each designated distribution site.
