**On-site  
Registration  
&  
Welcome**

**When?** Thursday, April 8, 2021  
3:30-6:00 p.m.

**Where?** BTCS elementary school your child is zoned to attend

**What?**

- Teacher meet-and-greet
- Help with registration
- More info on immunizations & physicals

### Registration Details

- Children must be five (5) years old on or before August 15, 2021, to be eligible for kindergarten.
- If you complete the registration process online, you are welcome but not required to attend on April 8.
- Children must be registered by their legal guardian. To protect public health and safety in light of COVID-19, attendance is limited to two (2) adults per child.
- Registering online prior to April 8 will significantly reduce your wait time at the event. Online registration opens March 25. If you are unable to complete the process online and need assistance, you will receive help on April 8.
- During the online registration process, you must upload the required registration records for your child. The following documents may each be uploaded as an individual scanned file or an individual photo of each document from your phone or other device. If you are unable to complete the process online, please bring the following documents with you on April 8:
  - ✓ official birth certificate
  - ✓ proof of residency
  - ✓ physical and immunization records (required for student to attend the first day of school)
  - ✓ custody documents if applicable.

### What if I live out of the school zone I prefer my child to attend?

Kindergarten students applying for tuition or requesting a transfer should register in the school they wish to attend. However, registration does not assure placement in that school. Only in-zone students are assured placement regarding a particular school. Parents will receive notification regarding acceptance before school begins.
