Dear Parents and Guardians:

You are invited to attend a parent forum to discuss the 2018-2019 Family Life Health Education curriculum. The forum will be held at 6:00 p.m. on Monday, September 24, in the Board Room of the Bristol Tennessee City Schools Administration Building, 615 Martin Luther King, Jr. Boulevard.

At the forum, samples of fifth through ninth grade Family Life health education curriculum materials will be available for you to preview. All lessons will include age-appropriate topics based solely on Tennessee Health Education Standards. To review the standards, please go to www.btcs.org then select through Resources>Parent Resources>Family Life.

Prior to Family Life instruction, parents of fifth through ninth graders will receive a letter stating the specific dates of the classes, specific topics for each day, and the names of the instructors. You will also have the opportunity to view materials from all lessons in your child's school office. If you want your child to participate in these classes, you will not need to do anything. However, if you do **not** want your child participating, you will be given the opportunity at that time to opt your child out of a portion or all of the instruction. Students who do not participate will be given an alternate assignment during these classes.

Please contact **Rebecca Craddock at (423) 652-9237** if you have questions.

Sincerely,
