

Viking Booster Club

What is the MISSION of the Viking Booster Club?

The Viking Booster Club is a 501(c)3 non-profit organization whose mission is to fundraise and support **ALL** student-athletes and sports teams at Tennessee High School and Tennessee Middle School in Bristol Tennessee City Schools. The goal of the Viking Booster Club is to support, enrich, and elevate the middle school and high school sports/athletic experience for student-athletes while at either school.

How can you help?

JOIN the Viking Booster Club. There will be Booster Club members at parent/athletic meetings to provide information about membership and opportunities to help. Board members are also present at most athletic events and will be happy to provide you with assistance.

VOLUNTEER for the Viking Booster Club events and meetings. Sport Liaisons are being recruited to represent every sport with the intent to be present at every Booster meeting to provide information about sport activities and to obtain information to share with coaches/parents/students. We need **YOU** to improve and support our Viking athletes!

BUY the Fall Sports Programs and the Arby's Classic Program; 100% of profits from these sales help fund Viking athletics.

What are the many ways Viking Booster Club supports Viking Athletics?

The Viking Booster Club has a long history of supporting and funding THS/TMS sports and a proud list of accomplishments that have benefited Viking athletic teams for well over a decade.

Recent contributions include the following:

- Castle sound system to accompany the new digital scoreboard
- Color transition from Vance Middle School blue to TMS Viking maroon
- New uniforms:
 - THS Soccer
 - THS Ladies Basketball
 - Football
 - THS Cheer
 - THS Golf
 - THS Dance
 - THS Basketball
 - THS Track & Field
- New Equipment:
 - THS Track & Field

- THS Football
- THS Volleyball
- THS Men's Basketball
- Maroon Crew
- State Competition Expenses:
 - THS Wrestling
 - THS Track & Field
 - THS Cross Country
 - TMS Track & Field
- THS Student Spirit Enhancement
- Student-Athlete Scholarships:
 - McMillan Scholarships
- THS Athletic Awards: awards/trophies

Arby's Classic Programs: The Viking Booster Club also prints and sells Arby's Classic Programs every year at the Arby's Classic Tournament. All profits from these sales are utilized to fund THS/TMS athletic team needs.

Fall Sports Programs: The Viking Booster Club designs, prints, and sells the annual Fall Sports Program which includes our corporate and business sponsor information, student-athlete profiles, fall sports photos/rosters, THS/TMS information, as well as student-athlete salutes. All proceeds from the sales of these programs benefit Viking athletic teams.

Corporate Sponsorship Program: The Viking Booster Club Corporate Sponsorship Program partners local businesses with the club to provide financial support to our sports teams and valuable tickets/advertising/digital ads and commercials for our corporate partners. This program is our largest fundraiser each year and is important to the continued presence of the Viking Booster Club and to the financial support we provide to THS/TMS athletics.

To continue the tradition of success and achievement in Viking athletics, THS/TMS must have the support from parents/community/Viking Booster Club. Parents are a vital part of this goal. Parent involvement also allows you to be more aware of Viking news and information and to have a say in issues related to Viking athletics.

The Viking Booster Club is an effective and necessary platform to provide Viking student-athletes the best possible and positive experience while they are Viking student-athletes. If you would like to donate to the Viking Booster Club to help achieve this goal, please contact a Board Member.
